Pragmatic JCA Maxims

-- JCA provides an evolving exercise in Jewish actionable philosophy for Jew and Gentile alike, conveying a paradigm for non-sectarian unity (*yehaveh*, "He shall make to become").

-- The Jewish People carry the torch from Sinai, but are not the source of its Flame.

-- Our calling is not to Superiority, but to Bible-based Exceptionalism – in Hebrew, *Hitstayanut*, from the root of *Tsion* (Zion).

-- We are pioneers & pathfinders in religious thought, with Hosts of people behind us!!

-- JCA thus unites Jew, Christian and Moslem worldwide in the struggle FOR non-sectarian religion based on universal morality and the sanctity of human life.

-- With Jerusalem at the core of a Jewish State of all its citizens, whose borders are frontiers of peace.

-- As such, JCA advances a spiritual and educational struggle against regime evil in and from Iran and N. Korea [*regime evil* – “the reach for world domination thru human blood sacrifice”]. And woe to those who say, “the evil shall not reach us (from afar)” (Amos 9:10).

-- The *Aleinu* prayer calls the beast -- triumphalist totalitarianism -- by name, when it refers to "**all their multitude**" [*kol hamonam*] and then warns us that "they bow down to vanity and nothingness and pray to a god (idol) that cannot redeem".
